

# SMOKE PRO<sup>®</sup> AIR<sup>®</sup> COMPLETE<sup>™</sup>

DIAGNOSTIC LEAK DETECTOR

## Smoke Pro<sup>®</sup> AIR COMPLETE<sup>™</sup>

GO WHERE THE WORK IS

### Portability = Profitability

- Extra Portability drastically reduces diagnostic time
- Air Complete will help you to work faster, find more repair jobs, and make more money
- Onboard Micro Air Compressor eliminates the need for air lines or gas tanks
- Compact, rugged & lightweight - only 11 pounds
- Ultra-fine flowmeter - 4x more sensitive than before
- Compound pressure gauge
- Improved decay gauge eliminates "comebacks"

Comes with over \$200 extras in an expanded accessory kit

30 Day Money Back Satisfaction Guarantee\*

\*We're confident that you'll find you AIR COMPLETE to be worth far more than you paid for it. Use it every day and you'll love it. If not, send it back within 30 days for a "No Questions Asked" FULL refund.
